

LOVESICK FOR 15 YEARS.

LEVY CALLED ON TO PROVE THAT IT IS NO MADNESS.

National in O her matters and admits that his fiancée, Miss Leona Lehman, is the daughter of the late, the Hon. Charles Lehman, who was a member of the New York State Assembly and a prominent lawyer. Daniel Levy, whose persecution of Mrs. Harriet Lehman, wife of Sigmund M. Lehman, before and after her marriage, resulted in his commitment to Ward's Island, appeared before Justice Hooker yesterday, so that his mental condition might be ascertained. Levy, who is 45 years old, is an advertising agent for a number of newspapers, was arrested on Jan. 31 on a charge of disorderly conduct. He was arraigned in the Yorkville Police Court and committed to the insane pavilion at Bellevue, and subsequently transferred to the city asylum for the insane.

Mrs. Lehman is the eldest daughter of Emanuel Lehman, of 60 East 47th street, a millionaire cotton merchant and banker. Levy first met Mrs. Lehman at the German Theatre some years ago. She happened to see his programme drop and Levy picked it up and gave it to her. She then fell in love with him, and that day she was married to him. Levy, who is now 45 years old, is an advertising agent for a number of newspapers, was arrested on Jan. 31 on a charge of disorderly conduct. He was arraigned in the Yorkville Police Court and committed to the insane pavilion at Bellevue, and subsequently transferred to the city asylum for the insane.

Mrs. Lehman came to court with her husband and her lawyer, Dr. Henry C. Smith, who said that she was sane and of sound mind. She was called to the witness stand. She seemed rational while his condition might be ascertained. Levy, who is 45 years old, is an advertising agent for a number of newspapers, was arrested on Jan. 31 on a charge of disorderly conduct.
